Phone number:	+61 7 3848 4958
Fax:	+61 7 3848 8684
Email:	renato@iprsystems.com
Title of submission:	Open Digital Rights Language (ODRL) Submission to the MPEG-21 CfP for a RDD-REL MPEG Document Number M7598
Abstract:	The Open Digital Rights Language (ODRL) provides comprehensive semantics and structure for Digital Rights Management software to control upstream and downstream rights over digital content. The ODRL provides both the framework expression language and data vocabulary for the expression of terms and conditions over digital content including permissions, constraints, requirements, conditions, offers and agreements with rights holders.
Time requested for presentation (subject to review by organisers):	30 to 60 minutes
Demo intended:	Yes
Equipment and other support required for demo:	Projection equipment for laptop
