

---

## Simple topic

This topic demonstrates some basic elements of DITA content.

### Exercises in content markup

This is a paragraph. This is a phrase with a keyword.

Simple lists have minimal content.

Each item should be only a single line.

- This is a sentence.
  - This is fragment of code.
  - This is another paragraph.
1. Item the first
  2. Item the second

### Term example

definition example

### Term 2

example 2

a complex table	<b>Table → Insert → Row</b>	with spanned cells
with spanned columns		

<b>heading 1</b>	<b>heading 2</b>
content 1	content 2

### Examples of markup

Text for a user to type.

An extended fragment of code  
with multiple lines
