

KMS 2008 Agenda
IEEE Key Management Summit
September 23-24, 2008
Chair: Matt Ball

**Meeting is Located in Chesapeake III
Tuesday, September 23rd**

- | | |
|---------|--|
| 8:15am | Introduction and Importance of Key Management (Matt Ball) |
| 8:30am | Overview of Key Management and Key Management Standards (Landon Noll) |
| 9:00am | Overview of IEEE P1619.3 Key Management (Walt Hubis) |
| 9:30am | OASIS Enterprise Key Management Infrastructure (Arshad Noor) |
| 10:00am | AM Break
Located in Chesapeake Gallery |
| 10:30am | ANSI X9 Key Management Overview (Jim Randall) |
| 11:00am | Key Management for Government Mobile Computers (Bill Burr) |
| 11:30am | Cryptographic Interoperability Strategy for the U.S. Department of Defense (Sandi Roddy) |
| 12:00pm | Lunch
Located in Morton's |
| 1:30pm | Overview of the TPM Key Management Standard (Thomas Hardjono) |
| 2:00pm | Key Management for Fabric Based Data At Rest Encryption (Scott Kipp) |
| 2:30pm | The RSA Perspective on Encryption Key Management (Bob Griffin) |
| 3:00pm | PM Break
Located in Chesapeake Gallery |
| 3:30pm | Provisioning System for Enterprise Key Management and Distribution (Robert Lockhart) |
| 4:00pm | Key Management Challenges around Distributed File System Namespaces (Kavuri, et al) |
| 4:30pm | Financial Industry Panel: Jon Oltsik, ESG, Moderator <ul style="list-style-type: none">• Christine Kincaid, Citigroup• Chris Kostick, Ernst & Young• Daniella Pontes, PGP Corporation• Anthony Stieber, Wells Fargo |
| 5:15pm | Adjourn for reception |

(See other side for Wednesday KMS Program)

**Meeting is Located in Chesapeake III
Wednesday, September 24th**

- 8:00am Overview of IETF KEYPROV (Phillip Hallam-Baker)
- 8:30am DMTF Credential Management Data Model and Interface Technologies (Jon Hass)
- 9:00am Cryptography Everywhere – A Security Administrator’s Nightmare (Tim Hahn)
- 9:30am Password-based Encryption Using Hidden Computational Delay (Xavier Boyen)
- 10:00am **AM Break**
Located in Chesapeake Gallery
- 10:30am Key Management Using StrongKey (Arshad Noor)
- 11:00am Sun Key Management System 2.0 using Web Services (Sandy Stewart)
- 11:30am The Voltage Key Management System (Terence Spies)
- 12:00pm **Lunch**
Located in Morton’s
- 1:30pm Key Management for Full Disk Encryption (FDE) (Garry McCracken)
- 2:00pm HP Key Management Overview (Mark Schiller)
- 2:30pm Take a More Holistic Approach to Key Lifecycle Management (Paul Turner)
- 3:00pm **PM Break**
Located in Chesapeake Gallery
- 3:30pm Compliance Panel (Ramon Krikken, Burton Group, Moderator)
 - Donna Dodson, Deputy Director of NIST Computer Security Division, NIST
 - Peter Kim, Senior Validation Consultant, Blue Oak Solutions, LLC
 - Davi Ottenheimer, Director of Compliance, ArcSight
 - Miles Smid, Security Consultant, Orion Security Solutions, Inc.
- 4:15pm Standards Groups Panel (Ramon Krikken, Burton Group, Moderator)
 - Phillip Hallam-Baker, Principle Scientist, Verisign (Co-chair of IETF KEYPROV)
 - Russ Housley, Security Consultant, Vigil Security (Chair of IETF)
 - Walt Hubis, Software Architect, LSI Logic (Chair of IEEE P1619.3)
 - Arshad Noor, CTO, Strong Auth (Chair of OASIS EKMI)
- 5:00pm Wrap-Up and adjourn (Matt Ball)

Thank you to our Bronze Sponsors!
